

[Part 2] Social Interactions Study

* Indicates required question

1. **Enter your Prolific ID.**

*

***Note:** If this value is automatically filled, do not edit it. Otherwise, input your Prolific ID (required for payment).

2. **Instructions:**

*

1. Complete all questions in this survey.
2. At the end of the survey, you will be provided with a code which you must enter in Prolific. You will have to manually go back to Prolific to enter this code.
3. Ensure that you submit the survey and that a confirmation page appears stating that your response has been submitted. This is a requirement for payment.

Do you understand these instructions?

Mark only one oval.

☐ Yes.

☐ No.

3. We will be collecting some sensitive or protected user profile data points, such as age and gender identity, with additional questions on personal interests in politics, culture, profession, and religion. *

This data will be used to measure the quantity of social interactions by presenting user profiles to other survey participants. This data will be available publicly, but all identifiable characteristics of the survey participants will be anonymized.

Please contact the researchers if you would like your data to be deleted. We will handle your data according to the data protection laws of the United States, including California Consumer Privacy Act (CCPA).

Disclosure: All information collected during the study will used solely for research purposes. Participation is voluntary, and you may withdraw at any time without penalty.

Do you consent to the parameters provided above?

Mark only one oval.

☐ I consent.

☐ I do not consent. (you will be removed from this study)

Consider the following scenario

You are at a **sit-down restaurant** on a **weekday** in the **afternoon**.

It is a **cloudy** day and it's **crowded**.

There are **many people talking** and **no music is playing**.

You see a person who is **nearby**.

The person is with **2 - 3 other people** and they are **listening to others** in their group.

You learn the following information about the person:

Visual Appearance

* Height: 5 ft 6 in

* Hair: Brown & Long (straight).

* Clothing: Casual clothes.

* Tattoos: None.

Demographics

* Gender: Female.

* Age: 66.

* Education: Associate's or technical degree.

* Personality: Introvert.

* Student status: Not currently a student.

* Industry: Retail & wholesale trade.

* Workforce status: Currently employed.

Interests & Hobbies

* Favorite hobby: Hands-on skills (e.g., woodworking, cooking, gardening).

* Favorite interest: Health and wellness.

* Favorite music genre: Pop (never listens in public).

* Favorite social media: Pinterest.

4. *You and this individual both receive a notification that you two should connect.* *

Given the scenario above, would you choose to:

Mark only one oval.

☐ Meet (in-person)

☐ Chat (via instant messaging)

☐ Reject

5. What aspect(s) of the person or the scenario motivated your decision? *

Please explain your choice from the previous question.

Consider the following scenario

You are at a **cafe** on a **weekday** in the **morning**.

It is a **clear** day and it's **not crowded**.

There are **many people talking** and **no music is playing**.

A friend mentions that they see a person who is **far away**, but you are **unable to see them** from your angle.

The person is **alone**.

You learn the following information about the person:

Visual Appearance

* Height: 5 ft 6 in

* Hair: Black & Short (curly / wavy).

* Clothing: Casual clothes, Eyeglasses, Smart watch.

* Tattoos: None.

Demographics

* Gender: Male.

* Age: 53.

* Education: Bachelor's Degree.

* Personality: Introvert.

* Student status: Not currently a student.

* Industry: Professional & business services.

* Workforce status: Currently employed.

Interests & Hobbies

* Favorite hobby: Creative arts (e.g., painting, drawing, music, writing).

* Favorite interest: Arts and literature.

* Favorite music genre: Classical (listens 2 - 3 hours per day in public).

* Favorite social media: YouTube.

6. ***You and this individual both receive a notification that you two should connect. ****

Given the scenario above, would you choose to:

Mark only one oval.

- ☐ Meet (in-person)
- ☐ Chat (via instant messaging)
- ☐ Reject

7. What aspect(s) of the person or the scenario motivated your decision? *

Please explain your choice from the previous question.

Consider the following scenario

You are at a **sit-down restaurant** on a **weekday** in the **evening**.

It is a **rainy** day and it's **crowded**.

There are **many people talking** and **music is playing**.

You see a person **looking at you** who is **nearby**.

The person is with **2 - 3 other people** and they are **speaking to others** in their group.

You learn the following information about the person:

Visual Appearance

- * Height: 5 ft 4 in
- * Hair: Blond & Short (curly / wavy).
- * Clothing: Casual clothes.
- * Tattoos: Yes.

Demographics

- * Gender: Female.
- * Age: 48.
- * Education: Associate's or technical degree.
- * Personality: Introvert.
- * Student status: Not currently a student.
- * Industry: Healthcare.
- * Workforce status: Not currently employed.

Interests & Hobbies

- * Favorite hobby: Creative arts (e.g., painting, drawing, music, writing).
- * Favorite interest: Home improvement and DIY.
- * Favorite music genre: Rock (Classic Rock, Alternative, Indie, etc.) (listens 2 - 3 hours per day in public).
- * Favorite social media: TikTok.

8. ***You and this individual both receive a notification that you two should connect. ****

Given the scenario above, would you choose to:

Mark only one oval.

- ☐ Meet (in-person)
- ☐ Chat (via instant messaging)
- ☐ Reject

9. What aspect(s) of the person or the scenario motivated your decision? *

Please explain your choice from the previous question.

Consider the following scenario

You are at the **gym** on a **weekday** in the **afternoon**.

It is a **rainy** day and it's **crowded**.

There are **not many people talking** and **music is playing**.

You see a person who is **nearby**.

The person is **alone**.

You learn the following information about the person:

Visual Appearance

* Height: 5 ft 5 in

* Hair: Black & Long (curly / wavy).

* Clothing: Casual clothes.

* Tattoos: None.

Demographics

* Gender: Female.

* Age: 18.

* Education: Bachelor's Degree.

* Personality: Introvert.

* Student status: Not currently a student.

* Industry: Professional & business services.

* Workforce status: Currently employed.

Interests & Hobbies

* Favorite hobby: Games (e.g., board games, video games, puzzles).

* Favorite interest: Food and drink.

* Favorite music genre: Pop (listens 2 - 3 hours per day in public).

* Favorite social media: TikTok.

10. ***You and this individual both receive a notification that you two should connect.*** *

Given the scenario above, would you choose to:

Mark only one oval.

☐ Meet (in-person)

☐ Chat (via instant messaging)

☐ Reject

11. What aspect(s) of the person or the scenario motivated your decision? *

Please explain your choice from the previous question.

Consider the following scenario

You are at a **cafe** on a **weekday** in the **morning**.

It is a **cloudy** day and it's **crowded**.

There are **not many people talking** and **music is playing**.

You see a person **looking at you** who is **far away**.

The person is with **1 other person** and they are **listening to others** in their group.

You learn the following information about the person:

Visual Appearance

* Height: 5 ft 7 in

* Hair: Black & Long (straight).

* Clothing: Casual clothes, Eyeglasses, Hat.

* Tattoos: None.

Demographics

* Gender: Female.

* Age: 27.

* Education: Bachelor's Degree.

* Personality: Introvert.

* Student status: Not currently a student.

* Industry: Professional & business services.

* Workforce status: Currently employed.

Interests & Hobbies

* Favorite hobby: Creative arts (e.g., painting, drawing, music, writing).

* Favorite interest: Arts and literature.

* Favorite music genre: Pop (never listens in public).

* Favorite social media: Pinterest.

12. ***You and this individual both receive a notification that you two should connect. ****

Given the scenario above, would you choose to:

Mark only one oval.

- ☐ Meet (in-person)
- ☐ Chat (via instant messaging)
- ☐ Reject

13. **What aspect(s) of the person or the scenario motivated your decision? ***

Please explain your choice from the previous question.

Consider the following scenario

You are at a **bar** on the **weekend** in the **evening**.

It is a **clear** day and it's **not crowded**.

There are **many people talking** and **music is playing**.

A friend mentions that they see a person who is **far away**, but you are **unable to see them** from your angle.

The person is with **2 - 3 other people** and they are **listening to others** in their group.

You learn the following information about the person:

Visual Appearance

- * Height: 5 ft 9 in
- * Hair: Brown & Short (curly / wavy).
- * Clothing: Trendy clothes, Hat, Necklace, Earrings.
- * Tattoos: Yes.

Demographics

- * Gender: Male.
- * Age: 32.
- * Education: Bachelor's Degree.
- * Personality: Ambivert (mix of introvert and extrovert).
- * Student status: Not currently a student.
- * Industry: Education.
- * Workforce status: Currently employed.

Interests & Hobbies

- * Favorite hobby: Hands-on skills (e.g., woodworking, cooking, gardening).
- * Favorite interest: Home improvement and DIY.
- * Favorite music genre: Pop (listens over 4 hours per day in public).
- * Favorite social media: Reddit.

14. ***You and this individual both receive a notification that you two should connect.*** *

Given the scenario above, would you choose to:

Mark only one oval.

- ☐ Meet (in-person)
- ☐ Chat (via instant messaging)
- ☐ Reject

15. What aspect(s) of the person or the scenario motivated your decision? *

Please explain your choice from the previous question.

Consider the following scenario

You are at an **attraction** on a **weekday** in the **morning**.

It is a **rainy** day and it's **not crowded**.

There are **many people talking** and **music is playing**.

A friend mentions that they see a person **looking at you** who is **nearby**, but you are **unable to see them** from your angle.

The person is with **1 other person** and they are **listening to others** in their group.

You learn the following information about the person:

Visual Appearance

- * Height: 6 ft 1 in
- * Hair: Brown & Short (curly / wavy).
- * Clothing: Casual clothes.
- * Tattoos: Yes.

Demographics

- * Gender: Male.
- * Age: 68.
- * Education: Bachelor's Degree.
- * Personality: Extrovert.
- * Student status: Not currently a student.
- * Industry: Leisure & hospitality (hotels, restaurants, entertainment).
- * Workforce status: Currently employed.
